School breakfast can help children meet their nutrition recommendations. This may be especially true for the 1 in 6 children who live in a household faced with food insecurity.

To help our nation’s children whose households have limited access to adequate food, we are committed to increasing student participation in School Breakfast Programs.

Collectively we will work together to:

- **Increase awareness** of the impact School Breakfast Programs can have on nutrition security, diet quality and student health.
- **Provide resources** to empower schools to champion school breakfast.
- **Inspire families** and communities to embrace school breakfast.
- **Empower children** to take action to help increase access to breakfast in their schools.
- **Support initiatives** to move Breakfast After the Bell for better participation.
