What is the Grant Program?

American Dairy Association North East has established a program to provide mini grants to aid in local grassroots promotion of the dairy industry to consumers.

What are the criteria for selection?

- Must be a consumer-focused event or project aligned with American Dairy Association North East programming (Fuel Up to Play 60, Refuel with Chocolate Milk, farm tours, or school programs).
- The applicant must be a dairy farmer, dairy promotion committee member or dairy ambassador/princess in the American Dairy Association North East territory. Applicants must be 18 years of age or older. Visit AmericanDairy.com for a map of the territory.
